

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JANUARY 10, 2012

NURSING HOME RATING POSTING COMPLIANCE

As a result of action taken by the Board, Legislation was passed that requires nursing homes to post their five-star rating issued by Centers for Medicare and Medicaid Services. This law, which went into effect on January 1, 2011, requires every nursing home in the state to post their rating and provide access to vital nursing home quality and performance information.

The Department of Public Health's Facilities Division has been tracking compliance with this law in its first year of implementation.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Health to:

1. Report in 14 days the number of facilities surveyed, compliance findings and actions that were taken for any instances of non-compliance; and
2. Request the Chief of Field Operations for the State Licensing and Certification Division for available compliance data on a statewide basis.
